We're here for you.

When you need results quickly, we're here for you at the De Paul Urgent Care Center in Morgan Hill.

To better serve the Morgan Hill community, Saint Louise Regional Hospital has recently expanded its **laboratory and radiology services** at the De Paul Urgent Care Center. The new services are conveniently available on a walk-in basis, 7 days a week, and include:

- Complete blood count, urinalysis, and Basic Metabolic Panel tests
- Rapid throat swabs for strep infection
- Flu A & B tests (including H1N1)
- EKG and X-Ray services
- Advanced digital imaging for rapid interpretation and analysis

All these services and more, now available right here in Morgan Hill at De Paul Urgent Care. That's health care at your convenience.

Appointments or Walk-ins Welcome*

Mon - Fri 3pm to 11pm

Sat - Sun 11am to 7pm

*Laboratory and radiology services are only available at this time during the Urgent Care hours.
